The above information is furnished voluntarily by me in requesting information from a teacher trained by Poojya Guruji Rishi Prabhakarji.

I wish to begin the unique practice of **Joyful Parenting Program (JPP)** for my baby / babies to further his/ her own personal development. I realize the importance of verification and intellectual understanding of experiences in **Joyful Parenting Program (JPP)** and its effects in my child's daily life, and therefore, I will ensure that I will attend the necessary sessions of personal instruction and complete the assignments given to me by the trainer.

I agree that all instructions in **Joyful Parenting Program (JPP)** are for my child's personal use only, and in order to ensure the effectiveness of the teachings, I agree that I will not directly or indirectly impart or disclose, publish, share or in any way attempt to instruct or impart the technique of **Joyful Parenting Program (JPP)** to anyone other than my own child / children until such a time as I have received training necessary to become a qualified teacher of **Joyful Parenting Program (JPP)** personally from Rishi Prabhakar or his representative.

I understand that the teaching is very subtle and delicate and that it requires guidance from an expert teacher. I shall support my child to earnestly practice the teaching in his / her life and support his / her teachers to keep a high level of harmony in my community. I am satisfied with the reports given by various practitioners of Joyful Parenting Program (JPP). I will however not hold **Life Yessence Academy (LiYA) USA** legally or otherwise responsible for any particular result of the training.
